REMARKS

Claim 1 was amended to correct a minor informality.

New Claims 10 and 12 were added. The structures recited by these claims are shown in Figures 4 and 5. See, also, the paragraph bridging pages 4 and 5.

It is respectfully submitted that these claims do not present "new matter". Also, the addition of these claims does not require the payment of additional fees for the reason that there are no more than three independent claims and no more than twenty total claims presented.

Thus, it is respectfully submitted that Claims 1-12 are patentable and that the application satisfies the statutory requirements of the statute. Accordingly, allowance of these claims is respectfully solicited.

The Commissioner is authorized to charge any additional fees required by 37 CFR 1.16 or 37 CFR 1.17 as a result of this Reply to Deposit Account No. 50-0947.

Respectfully submitted,

James C. Valentine
